

# CALLING **PRIMARY** SCHOOLS

Amey

Engage your class in a fully-funded  
1-hour interactive **STEM** workshop  
for 7 - 9 year olds.

Delivered in-person by a local  
**STEM** role model from Amey.

## **STEMAZINGKids KS2 EXPLORING ENGINEERING - Fun with Forces Workshop**

Connect learning to life by  
exploring how the science of forces  
and balancing applies to real-  
world engineering.

The workshop involves fun  
practical activities using simple  
household resources to engage  
and inspire your young people!

Delivered to a class of 30 children  
at a time to suit you in March - May  
2026.

**APPLY FOR  
YOUR FREE STEM  
WORKSHOP!**
