STEMAZING Mentoring Programme

Unlock your mentoring potential

MENTORS APPLY NOW

Grow as a **mentor**. Make a difference in STEM. Open to all genders working in STEM. Build your confidence and mentoring skills through CPD-certified online training while supporting the development and progression of women in STEM.

CPD CERTIFIED
The CPD Certification Service

The commitment:
Just 3 hours a month for 8 months (March-October), with flexible online training and monthly support.
Mentor places are included for **STEMAZING** Partner organisations, or can be purchased individually.

What will you gain?

SKILLS
Bite-sized training to build your mentoring confidence.

TOOLS
Practical resources for impactful mentoring conversations.

SUPPORT
Monthly online peer sessions to learn and grow alongside other mentors.

DIVERSITY • INCLUSION • IMPACT
STEMAZING MENTORING
