

# STEMAZING Inspiration Academy

The award-winning programme that empowers women in STEM to shine as visible role models and inspire the next generation.

This 3-month programme will enhance your public engagement skills and confidence, and increase your portfolio of sensational STEM sessions you can deliver with ease. It culminates in you running a 4-week STEMAZINGKids club to inspire 7-9 year olds.

The STEMAZING Inspiration Academy supports women in STEM to excel at public engagement, change outdated perceptions and leave a legacy by delivering engaging online or in-person STEMAZINGKids sessions to inspire the next generation.

## Role Model

Focussed on women in STEM. This programme fosters female STEM role models.

## Level-Up

Role models level-up their engagement skills through training and workshops.

## Inspire

Inspiration and impact. Role models lead a 4-week STEM series for Primary children.

Register your interest at [www.stemazing.co.uk/inspiration-academy](http://www.stemazing.co.uk/inspiration-academy). Places are limited.

Registration opens in January, down-selection and notification of successful places in February and training will start in March. STEMAZINGKids sessions delivered May 2024.

CLUB

Thanks to our Partners, we are excited to offer this programme **FREE** to a limited number of women in STEM. Take the opportunity to develop your communication and confidence through this programme **worth £1,497** per participant.

You will benefit from informative and empowering webinars, build your network of other women in STEM, learn from training videos and expert speakers, grow your portfolio of engaging STEM sessions and enhance your authentic confidence to truly shine as a role model and inspire others.

All training is online, and delivery may be online or in-person depending on your distance to your matched school. Participants will need to:

- attend the monthly live webinars
- complete our empowering online training and bitesized homework
- engage with their assigned small groups to complete short tasks
- sign up to be a STEM Ambassador
- liaise with local and targeted schools
- commit to delivering 4 STEMAZINGKids sessions after completion of their training
- comply with our privacy and safeguarding policies

To benefit fully you will need to commit to giving it the required time and effort. We expect 2 hours a week will be necessary for the 3-month duration.
